Service 110 Preston – Lostock Hall – Leyland – Eccleston – Standish – Wigan

The county council will introduce this new service, creating new links through Walton Park and replacing the extension of Stagecoach's Service 111 journeys from Leyland to Wigan.

Maintaining the Preston, Leyland & Wigan direct bus service, this new service will operate between Preston and Wigan via Walton Park, Lostock Hall, Farington Moss, Leyland, Eccleston, Wrightington Bar and Standish.

The service will still operate generally every hour during Monday to Saturday daytime. Holmeswood Coaches Ltd will operate this service on behalf of Lancashire County Council and in partnership with Transport for Greater Manchester between Standish and Wigan.

Service 112 Preston – Bamber Bridge – Clayton Brook – Leyland – Midge Hall

The county council will revise the route and timetable, amending the service to terminate at the eastern end of the new Centurion Village at Midge Hall and amending the route through Leyland Town Centre.

As the new Centurion Village develops the service will be further adapted to serve more of this emerging community. The section through Wymott, Croston and Bretherton will now be served by new Service 115 – see below. Another minor route amendments are in Clayton Brook, adjusted to serve A6 Preston Road between Walton Summit and Clayton Brook, and then operate to the same clockwise circular route looping around Clayton Brook Road and through Clayton Brook village both towards Preston and Leyland.

This service will continue to operate between Preston and Midge Hall via Frenchwood, Walton-le-Dale, Bamber Bridge, Walton Summit, Clayton Brook, Clayton Green and Leyland.

To facilitate the extension to Preston, the route through Leyland will be adjusted between Clayton-le-Wood and Tesco to operate via A49 and Church Road, before continuing past the Gables and then as the current Service 119 route to Preston. Vice versa in the opposite direction. This will maintain the cross Leyland public transport links between wider areas of Leyland with Chorley. Another minor route amendment is in Clayton Green, adjusted to serve Wood End Road in both directions, no longer serving Back Lane, with new stops installed on Sheep Hill Lane.

This service will operate between Chorley and Preston via Chorley Hospital, Whittle-le-Woods, Clayton Brook, Clayton-le-Woods, Leyland, Farington Moss, Whitestake, Penwortham and Broadgate.

The service will operate generally every hour during Monday to Saturday daytime and combine with Service 112 to operate every half hour between Clayton Brook and Leyland. RS Tyrer Ltd will operate this service on behalf of Lancashire County Council.

Service 115 Chorley – Buckshaw Village – Leyland – Croston – Longton – Preston

The county council will introduce this new service, partially replacing Services 12, 112 & 119 to create a new cross borough public transport link between Chorley, Leyland and Preston. Following long standing requests from local communities, new Service 115 will link Croston, Bretherton, South Ribble's Western Parishes to both Chorley and Preston.

This new expanded service will operate as current Service 119 route between Chorley and Leyland, then replacing the curtailed Service 112 through Wymott, Croston and Bretherton, continuing to Much Hoole, Walmer Bridge, Longton and finally replacing Service 12 through to Preston.
