# Real Talk: Your future, your way

**Are you aged between 16 and 25? If so, we'd love for you to come along and share your experiences of skills, education and training.**

Pizza will be provided, and you'll have the chance to chat about your own life skills with some creative activities that will focus on what could help you to access the skills and the future you want.

Everyone is welcome and we hope to hear from those with a wide range of experiences from across the district!
